

MEMORANDUM

TO: Vice Presidents, Provost, Deans, School Chairs, Directors, and Department Heads

FROM: James G. Fortner, Vice President and Deputy Chief Business Officer

Amy Herron, Institute Controller and Chief Accounting Officer

DATE: Wednesday, June 12, 2024

SUBJECT: Fiscal Year 2024 Year-End Closing Schedule and Town Hall Meeting

Included in this memo are closing deadlines that all operating units of Georgia Tech must meet to facilitate an orderly and timely closeout of the Institute’s financial records for fiscal year (FY) 2024. The FY2024 Year-End Town Hall Meeting will be held on Tuesday, March 19, 2024, from 9:00am – 12:00pm in Clough 144 and via Zoom. Additional details related to closeout processes, procedures, and deadlines will be discussed at this meeting.

Strict adherence to all dates is required for Georgia Tech to successfully close the fiscal year and prepare the Annual Financial Report (AFR) for timely submission to the University System of Georgia (USG) Board of Regents and the Georgia Department of Audits and Accounts (DOAA). These deadlines are valid for all Georgia Tech funding sources including Resident Instruction (RI), Georgia Tech Research Institute (GTRI), Georgia Tech Professional Education (GTPE), Enterprise Innovation Institute (EI²), Auxiliary Enterprises, Plant Funds, Student Activities and Sponsored Funds. Please ensure there is a designated person in each unit during the closeout period to resolve any issues that may arise.

All current year expenses and revenues must be posted in the correct fiscal year. The DOAA will disallow requests for expenses, expense reimbursements, purchase order confirmations, revenue entries, or journal entries that are processed on or after July 1, 2024, if the transactions are applicable to fiscal year 2024. Financial reports and ledgers should be reviewed for accuracy on an expedited schedule during this closeout period.

Questions regarding closeout deadlines or processes should be sent to the appropriate support team per the grid to follow:

**PROCUREMENT**

The schedules for Procurement allow for proper processing of requests while accommodating other deadlines imposed from external sources. Deadlines assume all required paperwork is submitted with the requisition and the requisition has routed through all approvals and been received in procurement by the deadline. Please pay special attention to the time constraints involving the use of State funds subject to lapse, especially requirements to be reviewed by State Purchasing.

Funds subject to lapse should be committed at year-end with a purchase order (PO), but only if the purchase is for valid goods or services. Funds should not be committed in order to hold funds for the next fiscal year. If a fiscal year 2024 PO charged to lapsing funds is carried forward into fiscal year 2025 and subsequently found to be invalid, the balance of the PO will be surplused to the state once the PO is closed. Also, if the invoice amount for a fiscal year 2024 carry forward PO is lower than the obligation amount when the PO is paid, the balance of the PO will be surplused to the state once the PO is closed. These funds will not be available for use by the department or the Institute in either scenario. The Institute’s lapsing fund codes are identified in the following table:

**INSTITUTE LAPSING FUNDS**

FUND GROUP	FUND CODES
Resident Instruction	<ul style="list-style-type: none"> <li>• FD10000 – State Appropriations – Education and General</li> <li>• FD10500 – Tuition – Education and General</li> <li>• FD10600 – Other General – Education and General</li> <li>• FD50000 – Unexpended Plant</li> <li>• FD50200 – Unexpended Plant – GSFIC Non-MRR</li> <li>• FD50300 – Unexpended Plant – MRR</li> </ul>
Enterprise Innovation Institute (EI <sup>2</sup> )	<ul style="list-style-type: none"> <li>• FD11015 – State Appropriations - EI<sup>2</sup></li> </ul>
Georgia Tech Research Institute (GTRI)	<ul style="list-style-type: none"> <li>• FD11021 – State Appropriations - GTRI</li> </ul>

Your assistance in meeting these critical deadlines is greatly appreciated. Any requisitions received after the deadline dates will be canceled and will not be processed. All backup documentation (such as approved campus technology requests, BPM approval, sole source justification, quote, specifications, etc.), should be attached to the requisition in Workday. If Procurement receives the requisition without all documentation attached, the requisition will be returned. Please do not submit or approve a requisition if you do not have all the required backup documentation attached to the requisition in Workday.

Please adhere to the purchasing deadlines below:

If any unit anticipates difficulty meeting the deadlines listed or has questions about which category a purchase belongs, please contact the procurement helpdesk via [ServiceNow - Procurement](#) or Erin Mitchell, Director of Procurement, via email at [erin.mitchell@business.gatech.edu](mailto:erin.mitchell@business.gatech.edu).

### PROCUREMENT CHANGE ORDERS

Please use the Change Order Requisition process in Workday to request changes to a Purchase Order. Change orders submitted and approved after Friday, May 24, 2024, may not be completed before fiscal year-end close. Please contact the purchasing helpdesk via [ServiceNow - Procurement](#) with any questions. Catalog orders cannot be changed, only closed or canceled.

### WORKDAY AVAILABILITY – PROCUREMENT

Campus access to Workday Procurement will be removed at 5pm on Friday, June 14, 2024. All requisitions should be submitted and approved by this date.

### OPEN PURCHASE ORDER OBLIGATIONS

Campus users should run the “Open Obligation Campus – CR” report **now** and frequently through June 2024 to review open obligations. If goods or services have been received and no additional invoices are anticipated, POs should be closed promptly. This will help to ensure unnecessary POs will not be carried forward into fiscal year 2025.

Campus users should submit the “Open Obligation Campus – CR” report for closures only to Procurement and Business Services by 5pm on Friday, June 7, 2024. Any reports received after this deadline may not be processed. Open Obligation questions should be forwarded to [ServiceNow - Procurement](#).

### **PRIOR YEAR PURCHASE ORDERS**

Prior Year POs can best be managed by reviewing the PO status and balance via the “Open Obligation Campus – CR” report. Prior Year POs on non-sponsored funds can also be managed using the POEELS Report (**Purchase Order Obligation and Expense Ledger Summary– GTCR**). This report is run in Workday and then downloaded and posted on the Controller’s Office website every month ([POEELS Report](#)). Beginning Monday, May 6, 2024, the report will be posted by close of business each Monday through Year-End Close. If expenses that belong to a prior year (i.e., FY24/BR23 or FY24/BR22) were inadvertently paid in the current year (FY24/BR24) by PCard or Supplier Invoice, a correction should be processed to fix the transaction. See Page 10 of the memo for a grid on Accounting Transaction Adjustments. The prior year PO must be paid in full and the obligation should be closed/liquidated by Procurement and Business Services before processing a correction. Questions related to this process should be logged in [ServiceNow - Financial Accounting](#). The deadline for submitting all journals and obtaining necessary approvals is Wednesday, June 26, 2024, at 5pm.

### **FISCAL YEAR 2025 REQUISITIONS**

Fiscal year 2025 requisitions cannot be entered in Workday Financials until Wednesday, July 3, 2024. While no fiscal year 2025 orders can be placed prior to July 3, 2024, requests for bids that were received prior to Workday access removal will continue to be actioned during the Workday downtime. Departments requiring bids should contact the Contracting Officer responsible for the commodity they wish to purchase. A list of Contracting Officers by commodity is available on the Procurement and Business Services website ([Purchasing Support Contact by Commodity](#)).

### **PROCUREMENT CARD TRANSACTIONS**

PCard transactions in Workday should be verified as quickly as possible in order for the charges to be included in fiscal year 2024. Transactions that are loaded in the system in June after the final day for PCard Verifications must be accrued by the Controller’s Office for the Annual Financial Report (AFR) as this is fiscal year 2024 activity.

PCard Transactions will be included in fiscal year 2024 if they are processed by the bank by Thursday, June 13, 2024. These transactions could take up to 48 hours to load into Workday. Campus users will have until Thursday, June 20, 2024, at 5pm, to verify these transactions.

PCard Transactions that are processed by the bank from Friday, June 14, 2024, through Sunday, June 30, 2024, will be loaded into Workday by **Wednesday, July 3, 2024**. These transactions need to be accrued for the fiscal year 2024 AFR and must be verified by **Tuesday, July 9, 2024**, at 5pm. These transactions will be charged to FY25/BR25.

PCard Transactions that are processed by the bank from Monday, July 1, 2024, through Sunday, July 7, 2024, will be loaded into Workday on Monday, July 8, 2024. At this point, daily transaction loads will resume.

### **SUPPLIER REGISTRATION**

The deadline for payees to submit a new supplier registration through the Supplier Portal for fiscal year 2024 requisitions and supplier invoices is Friday, May 10, 2024, at 5pm. Additional information regarding the supplier registration process is available in [ServiceNow - Supplier Portal](#).

## **SUPPLIER ACCOUNTS**

The deadline to submit invoices, Supplier Invoice Requests (SIRs), Adhoc Payments, and Wire Transfers is Friday, June 7, 2024, at 5pm. If a Purchase Order is referenced, it must have sufficient funds to cover the payment. Accounts Payable cannot guarantee payment for invoices or SIRs submitted after this deadline. Accounts Payable also cannot guarantee payment for invoices with purchase orders that require receipts and/or change orders, even if submitted by the deadline.

Thursday, June 20, 2024, is the last day to approve all Invoice Match Exceptions in Workday and enter appropriate receipts for goods and services. Most match exceptions require that a receipt be entered in Workday. Users can continue to approve match exceptions but depending on the match exception reason there is no guarantee of payment if entered after Friday, June 7, 2024, at 5pm.

Departments may continue to submit requests after the deadline, but they will likely not be processed until the system is open for fiscal year 2025. The final payment run for fiscal year 2024 is Thursday, June 20, 2024, at 4pm. Please note that wire transfer payments and student refund payments from the Bursar's Office must also adhere to this deadline.

If any unit anticipates difficulty meeting the deadline or needs assistance with fiscal year-end processes, they should contact the payables help desk via [ServiceNow - Procurement](#) or contact Laura Jamison, Director of Accounts Payable and Travel, at [laura.jamison@business.gatech.edu](mailto:laura.jamison@business.gatech.edu). Urgent payment and correction requests submitted after the deadline require approval from Laura Jamison, Director of Accounts Payable and Travel, to ensure expedited processing. Payments for fiscal year 2025 will resume on Wednesday, July 3, 2024.

## **ACCOUNTS PAYABLE LIABILITY ACCRUAL**

All unpaid invoices dated June 30, 2024, and prior must be accrued for inclusion in the fiscal year 2024 AFR. Invoices dated after June 30, 2024, with activity applicable to fiscal year 2024 must also be accrued for the AFR.

### Invoices in Image/WebNow

All invoices in the work queue that can be approved should be approved and routed to the 'Approved for AP to Pay' queue. All invoices that are valid, but unable to be approved, may remain in the work queue and Accounts Payable will run a query to capture these invoices for accrual.

### Paper Invoices

All paper invoices must be accrued as well. If these invoices can be approved for payment, scan and email these invoices to [apinvoices@gatech.edu](mailto:apinvoices@gatech.edu) (one invoice per email). Indicate the Workday PO number on the face of the invoice or in the subject line of the email. If these invoices cannot be immediately approved, please scan and email them to [apinvoices@gatech.edu](mailto:apinvoices@gatech.edu) as well. Indicate your department name and department number and they will be routed to the appropriate ImageNow work queue to be approved at a later date.

## **PRE-PAID EXPENSES**

Expenses for fiscal year 2025 that must be paid in fiscal year 2024 will be processed as pre-paid expenses by Accounts Payable in fiscal year 2024. These payments will subsequently be posted as an expense in fiscal year 2025 after July 3, 2024. These transactions must be submitted by 5pm on Friday, June 7, 2024. Please provide a valid fiscal year 2025 driver worktag at the time of payment request and note 'PRE-PAID EXPENSE' on the SIR (Supplier Invoice Request) or invoice. Examples include registration and airfare that must be paid in June for travel on or after July 1, 2024.

## **TRAVEL**

The deadline for all expense reports to be submitted to the Expense Partners (Travel Team) for payment is Friday, June 7, 2024, at 5pm. All approvals must have been completed and the expense report must be awaiting action in the Expense Partners' queue to be processed for fiscal year 2024. Expense Partners cannot guarantee reimbursement for expense reports submitted after this deadline. Having an approved expense report in the system by 5pm does not guarantee fiscal year 2024 reimbursement. All required receipts and documentation must be submitted. Expense reports that are not approved for payment will be cancelled. These expense reports will need to be re-entered in fiscal year 2025.

The deadline for spend authorizations to be submitted and approved is Thursday, June 20, 2024, at 5pm. Airline transactions included in the Monday, June 17, 2024, Travel Inc./AirPlus invoice will be paid against fiscal year 2024 funds by Thursday, June 20, 2024. Airline transactions included in the Travel Inc./AirPlus invoice after this date will be paid against fiscal year 2025 funds. Airfare for fiscal year 2025 travel dates can be booked in fiscal year 2024 but will be posted to a pre-paid expense account and transferred as a fiscal year 2025 expense after July 3, 2024.

Closeout is a peak processing time and volume will be heavy; however, the employee reimbursements will be processed in the order submitted (first in, first out) continually through the closeout period. Department administrators should log into Workday and view any expense reports in a "pending" status, by running the "Find Expense Reports by Organization - CR" report and selecting the Expense Report Status of "Draft" or "In Progress." Any reports in "Draft" or "In Progress" (not in AP queue) will not be processed for fiscal year 2024.

The department must log a request that includes the expense report number in [ServiceNow - Expenses](#) prior to the final processing date/time for any special travel circumstances or special travel processing requests. Every effort will be made to process these special requests for fiscal year 2024, but volume and timing constraints limit the number of expedited expense reports that can be processed.

There will be a mass close of ALL spend authorizations on Friday, June 21, 2024, at 8am. On Wednesday, July 3, 2024, all spend authorizations with **travel end dates of April 30, 2024**, and after, which are fully approved and do not have an expense report associated, will be reloaded into fiscal year 2025 in an approved status. Funds for these spend authorizations will be re-committed in fiscal year 2025. The reloaded spend authorizations will have a new spend authorization number (AUTH-xxxxxxx) and the old spend authorization number will be referenced in the memo field.

## **CHECK REQUESTS - GEORGIA TECH FOUNDATION**

The deadline to submit check requests to Georgia Tech Foundation using the Fusion system for payment in FY24 is Friday, June 7, 2024, at 5pm. The request must be fully approved on the Institute side in Fusion by this deadline. Departments may continue to submit requests after the deadline, but they will likely not be processed until fiscal year 2025.

Requests after this date will be processed for payment from fiscal year 2025 funds.

The biweekly pay period ending Saturday, July 6, 2024, contains five (5) working days for June that are chargeable to fiscal year 2024 even though the payments to employees will not occur until fiscal year 2025. Based on estimates in the OneUSG Connect system, the Institute will accrue and expense five working days of salaries and fringe benefits for regular biweekly employees in fiscal year 2024. **Campus users will see these expenses posted to the ledger Monday, June 24, 2024.**

Biweekly wages for student and temporary staff, which are immaterial to the Institute as a whole, will be posted entirely in FY2025.

The paper transmittal form must be completed. If the over 90-day request is approved by the Executive Director of Grants and Contracts Accounting, the Commitment Accounting team will initiate the Express Direct Retro (EDR) transaction in OneUSG Connect. Once the transaction is initiated and submitted it must be approved at all levels of the manager self-service approval workflow.

Online users may process salary distribution changes through **Friday, June 28, 2024, at 5pm**. All transactions must be approved at all levels in the approval workflow. Commitment Accounting will then be closed for fiscal year 2024 and is estimated to reopen for fiscal year 2025 on **Wednesday, July 10, 2024, at 9am**.

### **ANNUAL STATEMENTS OF REASONABLENESS OF SALARY CHARGES**

Annual Statements of Reasonableness (ASR) of Salary Charges will be prepared based on the June 30, 2024, salary distribution information and will be available electronically by noon on Friday, July 19, 2024.

All ASRs (either electronic or manual) should be certified online or completed and returned to Grants and Contracts Accounting ([easr.ask@office365.gatech.edu](mailto: easr.ask@office365.gatech.edu)) by 5pm on Friday, August 30, 2024. Any outstanding ASRs will be forwarded by Grants & Contracts Accounting to each unit for escalation once the deadline has passed.

FY24 ASRs for employees terminating during the year can be accessed on LITE by the department. The report is titled Terminating Employee ASR. The report is only accurate if a termination date is entered in OneUSG and the final payroll for the employee has posted. Any changes to the employee salary distribution after signature will void the ASR. If you have any questions regarding this process or issues with the report, please contact [easr.ask@office365.gatech.edu](mailto: easr.ask@office365.gatech.edu). To certify early, the unit must do the following: (1) Process the termination in OneUSG Connect; (2) Ensure the final salary distribution is correct; (3) Have both the employee and the Unit Financial Manager sign the ASR provided on LITE (Terminating Employee ASR) and return the form to [easr.ask@office365.gatech.edu](mailto: easr.ask@office365.gatech.edu). The Terminating Employee ASR must be signed by the employee as no first-hand knowledge confirmations will be accepted. If the department cannot procure the employee's signature prior to their departure from the Institute, they may opt to wait until the regular ASRs become available at the end of the fiscal year. At that point, they can have the PI, who possesses firsthand knowledge of the terminated employee's work, sign on behalf of the employee on the regular, manual ASR form (as opposed to the Terminating Employee ASR form).

#### **FISCAL YEAR-END CLOSING REVIEW CHECKLIST**

The Fiscal Year-End Closing Review Checklist was implemented to help ensure the integrity of the Institute's year-end close process and resulting financial statements. The checklist helps to confirm year-end tasks and to identify potential audit issues that should be communicated to the Controller's Office for resolution. The FY2024 Fiscal Year-End Closing Review Checklist form is available to Unit Finance Officers for their use during the year-end closing period. Frequently asked questions (FAQs) are posted on the Controller's Office website ([Year-End Checklist FAQs](#)). The Checklist is only required to be submitted to the Controller's Office if significant items that require management review are disclosed. Significant items include lack of adherence to policies, misclassified or unapproved financial transactions, and similar items. When in doubt, Unit Financial Officers should return the completed checklist to the Controller's Office for review and assessment. Please submit any Checklists with significant items or questions about the checklist to [fy.review@gatech.edu](mailto: fy.review@gatech.edu) by Monday, July 8, 2024, at 6pm.

#### **FOUNDATION DATA MODEL (FDM) – RELATED WORKTAG CHANGES**

Changes to Related Worktags like Fund, Function, Class, Balancing Unit, Gift, and Budget Reference are not allowed. Changes allowed to related worktags are title changes, assignee, and manager. The values that populate from the Driver Worktag on financial transactions such as Requisitions, POs, Spend Authorizations, Expense Reports, Supplier Invoices, Journals, etc. match the setup in the Workday system and should not be changed. The Budget Reference may be changed when processing journals to move transactions off certain prior year funds due to posting errors or overspending of the Prior Year PO.

If you have a situation where related worktags have been changed and need to be corrected, please contact the Financial Accounting team via [ServiceNow - Foundation Data Model](#) for guidance. If you find that the Related Worktags populated by the Driver Worktag are not correct, a new Driver Worktag will need to be set up in the FDM and the transactions will need to be moved from the incorrect driver to the correct driver. Please contact the appropriate office for assistance (i.e., Budget Office, Controller's Office, Grants & Contracts, etc.) as detailed in the Help Desk Support Grid beginning page 2 of this memo.
